

In the Claims:

Applicant inadvertently numbered claims incorrectly in the application. Specifically, the application contains two claims that are numbered "claim 3" and two claims that are numbered "claim 4." Therefore, Applicant respectfully requests that the second claim 3 and the second claim 4 be deleted. In addition, Applicant requests that original claims 5-17 be deleted.

Please add the following new patent claims:

18. (New) The device according to claim 4, wherein said antenna is disposed in proximate location to said keypad unit.

19. (New) The device according to claim 1, wherein said antenna is releasably biased in a close position.

20. (New) The device according to claim 1, wherein said antenna is expandable in its open position.

21. (New) The device according to claim 20 further comprising an expansion antenna configured to rotate about said first antenna.

22. (New) The device according to claim 1 further comprising at least a second antenna configured to operate independently from said first antenna.
